★ **These courses may be counted as electives in your CE degree. Please discuss with your CE advisor.**

Notes:

- 1) The minor requires 21 units total, of which 12 units must be exclusive (not double counted for a major or another minor).
- 2) "Core Courses" can not be waived.
- 3) CM 7'S' requires a corequisite of OSHA 30 or CM 15.
- 4) CM 20 requires MATH 75 or CM 5 as a prerequisite.
- 5) CM 18 was previously listed as CM 4 in prior catalogs.

Version 3.0

Effective: January 2018
