

## Lyles College of Engineering

### **Summer Engineering Experience 2021 (Virtual)**

Lyles College of Engineering

June 14th–18th and June 21st–25th 2021

The Summer Explore Engineering Virtual Program is a five day non-residential program schedule from June 14th-18th and June 21st-25th 2021 at CSU Fresno. The mission of the program is to educate young High School students **entering grades 9th, 10th, 11th and 12th in the fall of 2021** on the benefits and varied aspects of a profession in engineering. The program focuses on hands-on activities combined with academic lectures that cover engineering topics such as Geometrics, Construction Management, Robotics and Electronics.

Sessions run from 9 am to 12 pm each day. Attendance every day is required.

Cost of the program is \$50/student. Space is limited. Applications are accepted through April 30th 2021 by 5 pm PST. Space is limited.

#### **Application Requirements:**

- Completion of the attached application.
- A one page personal statement written by the student that expresses their passion for science and/or mathematics.

**This is non-residential program. Students must complete and submit all the requirements by the extended deadline: May 14, 2021 (Friday) by 5pm PST in order to be considered.**
